"Te Ako i te Ora" - "Learning through Living"

From the Principal's Pen

Dear Parents and Caregivers,

Thank you all for the support you offer our students, teachers and school. It was particularly evident last week with all that was happening here. The weather made events more of a challenge, but you still came and supported us all.

The Duathlon/Triathlon was wonderful once the weather decided to be kind to us. Even with the late start, everyone had fun and remained warm and dry - then we worried about being too hot! All eventualities were catered for. The students were outstanding and the following students came first, second or third in their age group:

The Celebration of Learning

This was well attended in some classes, and the teachers loved the opportunity to hear the students talking confidently about their learning this term with their family and for the opportunity to hear and share their child's learning.

Wheels Day

As normal, it was very loud, exciting, and having Mr Coates take part was the moment most children remembered. Well done to the Student Council for great organization and taking responsibility on the day.

Easter Break - please take note

School will be closed on Friday of this week, as it is Good Friday, and also on Monday and Tuesday of next week. See you all back on Wednesday.

Our school Commonwealth Day Games is on Friday 6 April (next week). Please come along and support our children. All children will be taking part. It will start at 11:00am with an Opening Ceremony, and finish at 2:30 with a medal ceremony. There will be a sausage sizzle available, organized by FOS, during the lunch eating time.
