

Term 4 Week 1

Monday 14 October 2019

“Te Ako i te Ora” - “Learning through Living”

From the Principal's Pen

Welcome to the final term of 2019. It does not seem that long ago that we were welcoming you to Term 1! Where have the 30 weeks of learning gone? When we look at what our students have achieved, what they have taken part in - they, and you, have been very busy. The teachers have been working over the holidays and have a great programme ready for Term 4's learning.

Welcome to our new families. I know that it will not be long before you feel that you have always been here. I hope that you all enjoyed your holiday and the students have come back raring to go and are full of fun and energy.

As usual, Term 4 is action-packed — with Athletics, Prizegivings and I must not forget - swimming. I can't wait to see the pool being used and hearing the children's excitement as they enter the water and start to enjoy water fun.

Production

Last term seems so long ago, but thank you to all those parents who supported our very talented dancers, singers and narrators - their performances were outstanding and you should be proud of them all. I think they were tired but elated with how well they did and succeeded their own expectations.

Netball Results

Congratulations to the Year 5 Netball team - they came 2nd in their Grade. Well done!

Change of Contact details

We know that over the holidays, some things change - namely contact details. If you have moved, have a new phone number, or have new emergency contact details, please let the Office know, so we can update our information.

Leaving at the End of Term 4??

If your child is leaving our school at the end of this year, and is NOT currently in Year 6, please inform the Office directly.

Enrolments for 2020

If you have siblings or know of any children that are due to start, or are intending to start at our school in Term 1 of next year, please complete an enrolment form or ask the parents to fill one out and hand it in to the Office so we can organise placements for next year. Enrolment forms are available from the Office or on our website.

Wednesday 18 December
Last day of term

2020

Term 1
Thursday 30 January to
Thursday 9 April

Term 2
Tuesday 28 April to
Friday 3 July

2020

It's coming to that time of the year again, when everyone starts to wonder what will happen to their child next year if they are staying on at Marlborough School. Will they have friends in their new class? Who will their teacher be? What room will they be in?

The teachers manage this process very well, as they know your child's individual strengths and needs, as well as the good learning partners they have and who they should be with.

But, as parents, you also have your own thoughts and ideas about what would be a good mix for your child.

Therefore, if you have an **educational reason** as to why you think your child should not be with a certain other child, please put this in writing, addressed to the Principal, or send me an email to:

principal@marlboroughprimary.school.nz.

We will consider these requests when making class lists for 2020.

Please do not make your request to the class teacher - it must be in writing to the Principal for consideration.

School Website and new School App.

Please look at our new website. It has new features and more information and links.

Our new School App. is up and running and you can access it by following the link, scanning the code or going to the App store and downloading the **Kiwischools app**. Open the app and search for Marlborough Primary School. You will then be asked to 'subscribe'. Do this and 'subscribe to all'.
