

FOS Readathon

The time is nearly up- have you read 50 books in the last four weeks which included the holidays.
If not, you still have a few days left to do so.

If you have lost your form- come to the office to collect one.

But
If you have completed your sponsorship form and collected the money and deposited into the FOS bank account?
Then the next step is to have the completed forms back into school by the 28 October.

Then we can draw out the winners of prizes.

Thank you in advance

FOS Team

Well done to those who have already returned their forms and money in FOS account
