

Term 1 Week 3 Monday 15 February 2021

“Te Ako i te Ora” - “Learning through Living”

From the Principal’s Pen

Dear Parents and Caregivers

Thank you for your support today in light of the latest school closure due to Covid-19. The students should be learning online as of today, and every teacher has ensured that students have access to Mathletics, Sunshine classic reading, and also class dojo or Seesaw to see some more fun tasks.

As we receive more information, we will keep you updated via class dojo or the school website as to what is happening next. In the mean time, be safe and take care.

New Classrooms

Does it never end! Unfortunately, the classrooms have been delayed in their completion, due to the fact that the building industry is so busy they cannot get contractors to complete the internal fittings of wall linings and carpets. Hopefully it’s just a 3-week delay, but I will give you an update as soon as I know more. I know that the Ministry is working hard to get them completed for us. Thank you to the teachers and students who have been placed in different classrooms for the time being. It will be worth it in the end, as you get a newly refurbished and fully furnished classroom. In the meantime, parents and teachers you are continuing to do a fantastic job and the children are lucky to have you working with them.

School Uniform

This is available from The Warehouse Glenfield Mall. Wear it with pride. We will be having class photos next week, so please ensure your child/ren are wearing the correct items of clothing.

Personal Information Update

Please let the Office know if you have moved house, changed phone numbers, email address etc so we can update our records. A form will come home for you to make any changes on, once we are all back at school.
