

The Friends of the School (FOS)

..... who are we, and what do we do?

Objective: The primary objective of the Friends of the School (FOS) is to foster parents, caregivers and community involvement in Marlborough Primary School for the benefit of its children. This will be achieved by organising school fundraisers and social events for the children, parents and community of Marlborough Primary School. The FOS team will also co-operate with the Board of Trustees (BOT) and school staff to assist with school activities.

The FOS team comprises parents, and teacher representatives who are passionate about our school and are keen to make a difference through our involvement.

Being part of FOS is a great way to make a positive difference to our school community and get to know other parents and teachers in our school.

We meet twice a term, at 7:00pm on a week night, at school. Our meetings are always advertised in our school newsletter and on the school's website. You are most welcome to join us! If you can't attend meetings but would like to contribute by lending us a hand in our fundraising activities, please tick the second box on the ***Return Slip***.
