March 5, 2021

Dear Parents and Caregivers,

Welcome back to school on Monday 8<sup>th</sup> March. School is open for everyone with extra care for students and adults. All our students when at school will be reminded about hygiene, hand washing and hygiene, cough and sneezing etiquette and also about remaining distant from each other (breath space) not breathing on each other. Sanitizing their hands on entry to classrooms.

### **DRINK BOTTLES**

Please ensure your child has a named drink bottle at school as not everyone can use the fountains correctly and germs will spread. Once empty the drink bottle can be refilled if needed.

### **QR CODES AND CONTACT TRACING**

We have QR code posters at all gates so you can record where you have been, to safe guard our staff and students we ask that you drop off and collect your child from their normal gate (as used in the past). If you need to enter the school site you will need to QR code and physically sign in at the office in our visitor log for our contact tracing records.

### **FEELING UNWELL**

If your child is ill please keep them home, if anyone becomes ill at school we will be sending them home. Please keep your phone handy- just in case we need you to collect them urgently from sickbay.

If anyone in your family have COVID-like symptoms and are advised to get tested. Then until the results are through, then they must self-isolate. If you need to self -isolate or child is vulnerable to illness then distance learning is available.

### **SWIMMING**

The pool will be open from Monday and we can resume swimming- come with your named togs and towel.

**Finally, welcome back we look forward to seeing you all on Monday.**

**Sue Buckley**

**Principal**
