

Thursday 25 November 2021

Dear Parents and Caregivers

Just to update you with the latest information from the Ministry of Education regarding 'The Traffic Light Red Level' for schools.

**All schools in Auckland remain at Alert Level 3 step 2, for the remainder of the year.** This means that our school will carry on as we are presently, where your child attends on a Monday/Tuesday, or Wednesday/Thursday, or attends 5 days per week as established under Level 3 step 1 (previously known as 'The Bubble Classes').

This will ensure that we limit the level of cross-infection that could be present in a school.

Thank you to the Option C parents who have collected their child's belongings, as they will not be returning to school until 2022.

Thanking you

**Sue Buckley**  
**Principal**
