

TERM 3 WEEK 7

05 SEPTEMBER 2022

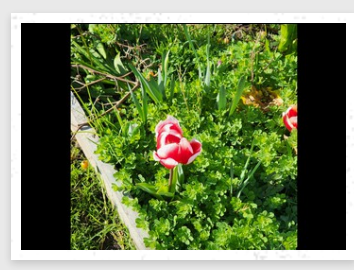

SUNSHINE, GLORIOUS SUNSHINE

What a pleasure it has been to have a few days where the sun was shining in full glory. The week of great weather couldn't have come at a better time, as all our akonga are getting pretty tired and grumpy with the wet weather. It also gave us a chance to get onto our very wet field and mow a couple of strips so that we have some shorter grass for our cross country on Friday.

Our winter netball season has come to a close. It has been wonderful to see the growth in our students abilities and their dedication to playing a fair game has been admirable.

Having spent the weekend like most of you doing outside jobs around the house, I was very disappointed to wake up to more rain today! However, we are on the upside of spring and fine days will be increasing. look at the beautiful Tulips below that have sprouted in our vegetable gardens around by the swimming pool!

We look forward to the close of voting for our new Board of Trustees on Wednesday, so if you haven't sent your papers in, do this today please.

TRAFFIC

The one thing that I really miss about being at a country school is buses. We had 90% of our students arrive to school and leave in the afternoons by bus. This meant that I did not have to deal with any **IRRATE** neighbours regarding parking issues.

I know that we are all very worried that our precious tamariki will not get to school unless we drop them right at the gate, **BUT** we can assure you they are **FAR** safer getting dropped off at any of our walking gates - Archers Road, Chartwell Avenue or Lingfield, than they are getting dropped off in Wykeham Place. The single lane traffic, and students hopping out of cars across driveways and sometimes even in the middle of the road is heart stopping to say the least. We even have some parents who drop their children right in the middle of our driveway and then reverse back into Wykeham Place!

PLEASE, PLEASE, PLEASE - DO NOT use Wykeham Place for drop offs unless it is absolutely necessary.

Marlborough Park has a beautiful carpark, with heaps of parking, that is a short - 2 minute walk from the school, and is absolutely safe for our tamariki. As a school we have recognised that the crossing in Chartwell is really busy both morning and afternoon- so we have placed a person on duty at the crossing at both times.

We know that when it is raining we would like to drop our tamariki closer so that they dont get wet, but to be honest - the actually enjoy running around in the rain!

So, please help us keep our neighbours happy and your children much safer and find an alternative to Wykeham Place.

CROSS COUNTRY

School Cross Country

Our annual cross country event is being held this Friday 9th september.

Children in years 3-6 will be running from 11am, with year 6 starting first. Their course will be both inside and outside the school.

Years 1-2 will race from approximately 2.15 and will run entirely within the school grounds. All children need to bring shorts and t-shirts to run in and must have appropriate running shoes (year 1-2 only may run in bare feet) .All children should also bring a towel and a bag to put wet and muddy clothing in. This event will take place rain or shine, so all children should be prepared to get wet and muddy and it is important that they are not left in wet clothes for the remainder of the day.

If you are able to help by being a marshall on the street portion of the run could you please let Mrs Beattie know as soon as possible. This is a very easy job and you get to see all the runners and offer some encouragement. You can even take a chair! The more people we have the better. The course runs along Wykeham, Lingfield, Blenheim, Archers and Chartwell.

The top 4 boys and girls in years 4,5,6 will then represent the school at the interschool cross country on Thursday 15th September.

Please encourage and support your tamariki to do the best they can.
