

TERM 4 WEEK 7

28 NOVEMBER 2022

MARLBOROUGH'S GOT TALENT!

Tēnā koutou e te whānau

WOW! What an amazing night we had on Thursday last week. A massive thank you to FOS for their support in making this a truly memorable friend raiser. Our tamariki shone on the stage, and we were stunned by our Kapa Haka performances.

A huge shout out to Richard, Chris and Suzy for giving up their time to support our school. And also special mention of Portia Woodman for swinging by to sign many many autographs.

I have had many conversations over the last week about Covid. So I thought it would be good to tackle some of the common questions here.

Question 1: Do we currently have Covid cases in school? Yes, we do, however although there is a slight increase - and we are talking 2 more cases a week - than in the last few months - we are still following the trend whereby 95% of our cases are families that are affected and the students are catching it from home.

Question 2: If we test positive can we return to school when we test negative. No, students can only return to school 7 days after first testing positive, regardless of a negative test result subsequently, or no symptoms.

Question 3: Do I need to let the school know? Yes, please continue to let us know so that we can continue to track where the virus is going in school.

Question 4: My child is not feeling too well, has a runny nose, can I send them to school. Please keep your child at home if they are feeling unwell. If they come to the sick bay because they are not well, we are sending students home straight away.

Question 5: If an adult or sibling test positive, does that mean we all have to isolate. No, only the person who tests positive now needs to isolate for 7 days. The day of first positive test

result is counted as Day 0 not Day 1.

We are looking forward to seeing all our whānau at our end of year assemblies next week. Come and celebrate our tamariki's successes with us.

Ngā mihi

Michelle

THANK YOU BUNNINGS

A massive thank you to Bunnings Glenfield for the wonderful support of our Gardening Initiatives. Our tamariki spent a wonderful afternoon gardening and planting new vegetables. We look forward to planting out our new fruit trees soon too.
